Summary
Bergen Community College’s history of theatrical productions began in 1973. Since then, the College has produced many musical and dramatic performances, and has also hosted many productions from other groups and performers. “These productions represent the efforts of students, faculty, staff, and alumni and are presented by the Theater/Performing Arts Discipline, the Theater Club, the Student Government Council and Student Activities Board, and the Office of Community and Cultural Affairs.”¹ This collection holds materials that highlight the creative efforts of the Bergen Community College performing arts community.

Scope and Content
This collection contains materials from theatre productions performed at Bergen Community College from 1982 – present. It includes items from student productions and other college theatre events performed by outside groups or performers. The items from the student productions include playbills, flyers, promotional materials, postcards, tickets, and audiovisual material. The items for the other theatre events include programs and brochures, which are usually part of an annual series such as Curtain Up! or This & That from Here & There.

Arrangement Note
The collection is arranged in 3 series:
- **Series I:** Student productions
  - Materials from theatre productions produced/performed by BCC students and faculty. This includes Bergenstages, Ender Hall Lab Theatre productions, etc.
- **Series II:** Non-student productions
  - Materials from theatre productions performed on campus by groups or performers not affiliated with Bergen Community College. The productions each season are represented in pamphlets such as This & That from Here & There, Ciccone Theatre, Curtain Up!, etc.

¹ This & That from Here & There, 2003-2004 Season. Box 2, Theatre Productions Collection. Bergen Community College.
² Not BCC Faculty; could not locate any other information or directing credits.
⁴ Not BCC Faculty; could not locate any other information or directing credits.
• Series III: Audiovisual material
  o This series contains video content of student productions (Bergenstages/Ender Hall Lab Theatre), primarily in DVD format.

The items in each series are arranged chronologically. The individual items in series I and II (playbills, postcards, etc.) are grouped together for each production. Oversized items such as posters have been separated from the collection (see Related Materials).

Processing Note
As new productions are performed at BCC each semester, new items will be added to this collection and the guide will be periodically updated.

Related Materials
Some productions include posters. Since these are oversized items, they have been separated from the collection and housed as a separate collection. Please contact the Archives for further information on these items.
